

Academy at the Lakes is pleased to partner with FACTS Management Company to help us manage our tuition payment program. We are confident this program will provide greater convenience to our families.

You will realize these benefits by using FACTS for your tuition payment plan:

1. Enrolling in FACTS: You will enroll in FACTS when you complete the re-enrollment process through RenWeb.
2. Convenience & Security: Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.
3. Online Account: You may check your account balance, payment history, and make payments online from the convenience of your home or mobile device at any time.
4. Payment: Automatic payments will be made from a checking or savings account or from a variety of credit cards.
5. Peace of Mind Insurance: FACTS offers this optional benefit. In the event of death of the responsible party or spouse, the remaining tuition balance owed for the current school year is paid to the school. ***Please note this is NOT the same as the Tuition Refund Plan.***
